**13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:**

American Compass is a 501(c)(3) non-profit organization founded in 2020 whose mission is to restore an economic consensus that emphasizes the importance of family, community, and industry to the nation's liberty and prosperity. Our first workshop is planned around substantive policy sessions to aid staff. We aid legislative staff via research projects on economic issues, acting as a forum for new proposals, and a bridge for multiple offices to connect and work together.

**15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):**

We are a leading resource for elected officials, their staff and the media, who rely on our regular policy reports, essays, discussions, and debates to help policymakers navigate the limitations that markets and government each face in promoting the general welfare and the nation's security.

**21. Describe how the daily expenses for lodging, meals, and other expenses provided to trip participants compares to the maximum per diem rates for official Federal Government travel:**

Our nightly rate is higher than the GSA per diem. Our projected meal costs are higher than the GSA per diem. We found these costs necessary to book a meeting space that was large enough, private, and had adequate breakout space. Boar's Head proved to be the more affordable option when compared to comparable venues in driving distance of DC.
